Thank you for your support and we look forward to seeing you in the stands and on the court!

Lady Mustang “Volleyball Buddy” Program

Dear Parents,

Volleyball season has been served up at FHS for 2020. Though our season started a little late, we are off to a great start and excited to see Mustang Volleyball in full action this year!

This will be our 3rd year to host the Volleyball Buddy program. The purpose of the Volleyball Buddy program is for our athletes to be mentors and positive role models while building relationships with the youth in our community. We encourage all future Lady Mustangs in grades 1st - 8th to participate in this amazing program.

Due to the COVID protocols of 2020 we are making some changes to the program for the year. Those who participate in the 2020 program will receive a t-shirt that they will be encouraged to wear on games days (Tuesdays or Fridays through November), priority ticket purchase opportunity for home varsity games (no ticket is needed for JV/Freshman games and we would love to see the buddies at these games as well), an actions shot of their HS volleyball buddy and the opportunity to exchange letters or postcards with their HS buddy. If more in person opportunities present themselves later in the season, then all signed up for the Volleyball Buddy program will be notified for priority sign up and participation.

Please join us and help the Lady Mustangs make an impact within our community and in the lives of our Future Lady Mustangs!

Please feel free to register [online with this link](#) or complete the attached form.

We look forward to seeing our Buddies on the court!

Coach Sarah Paulk
